

Seniors, Eliminate the Fear Factor: Don't Fear Technology, Embrace It!

Join the Inclusive Health Care Movement! Embrace technology to stay connected, stay healthy, and stay engaged.

To support seniors and caregivers, the Detroit Area Agency on Aging (DAAA) and its community partners are making the following resources available:

Pop-Up Technology Training: Learn computer basics through free technology training options available through St. Patrick Senior Center-Midtown Detroit, or at Pop-Up Technology locations:

- ✓ **NorthStar Digital Literacy Classes:** Learn email and social media, safety tips to avoid scams, and computer skills employers value, such as Word, Excel, and PowerPoint through free online learning and assessments!
- ✓ **Access One-on-One Help via Digital Navigators:** Learn how to use a mouse and keyboard, set up an email account, and access social media and the Internet to stay connected; stay engaged through reading, movies, music, and more. Bring your own tablet or laptop or use an on-site device.

Savvy Senior Tech Guide:

This free tech guide is designed to connect older adults to free or low-cost technology devices, Internet access, and technology training.

CareLinkMI Senior Mobile App: Coming Soon!

CareLinkMI is a secure, user-friendly mobile app being developed by PICF, Inc. to support seniors and caregivers. The app is being built in phases to ensure functionality, accessibility, and compliance (HIPAA, ADA, cybersecurity).

Phase I: Community Resource Hub *(Fall 2025)*

Easily search and connect to vetted community resources. Seniors and caregivers can use keyword searches or browse categories to find services such as transportation, food, health, home repair, and more.

Phase II: Events Calendar *(Spring 2026)*

Stay informed on community events submitted by sponsoring organizations. Events will be vetted and, once approved, displayed in the calendar for seniors and caregivers to view and register.

Phase III: Peer Chat *(Summer 2026)*

Engage and stay connected with other registered CareLinkMI users through a secure peer-to-peer chat feature designed to reduce isolation and support social connection.

Vendor & Partner Enrollment *(Open Enrollment)*

Community partners and service providers who want to be featured in CareLinkMI must complete the official Vendor Application Form and be vetted by PICF, Inc. Early participating vendors (“pioneers”) will be featured at no cost during the launch phase. We are looking for vendor service providers in the following areas: (1) Transportation/Ride Share, (2) Housing/Senior Shared Housing, (3) Health & Wellness, (4) Rx/Prescription Delivery, (5) Food Pantries/Food Delivery, (6) Homecare/Caregiver, (7) Eye Exams/Eye Glasses, (8) Dentist/Dental Care, (9) Medical Doctor/Physician Services/Clinics, (10) Home Improvement/Lawn Care, (11) Activities/Classes and (12) Events/Community Engagement.

Sign Up Today!

Become a CareLinkMI service provider and connect your business directly with seniors and caregivers in our community.

- Free enrollment for early vendors
