Detroit Holiday Meals on Wheels and DTE Cares Bring Bright Smiles with Warm Hearts for Christmas

Detroit Area Agency on Aging “Holiday Meals on Wheels” Partners with DTE Energy Foundation to Bring Together over 500 Volunteers to Help Homebound Seniors

Detroit, Michigan (**December 20, 2017**) – Detroit Area Agency on Aging (DAAA) is proud to announce that for the eighth year in a row, the DTE Energy Foundation will be providing 5,500 meals to homebound seniors and disabled adults on Christmas.

DTE Energy Foundation has generously donated \$35,000 to DAAA’s Holiday Meals on Wheels program. Homebound seniors and disabled adults living in Detroit, Hamtramck, Harper Woods, Highland Park, and the five Grosse Pointes will receive a hot nutritious meal, a small gift with a holiday greeting card and a friendly visit from volunteers.

“Too many seniors and disabled adults in our communities are struggling with hunger and live in isolation. We value and appreciate DTE’s support and their dedicated employee volunteers – we wouldn’t be able to provide the Christmas meals without them” said Paul Bridgewater, Detroit Area Agency on Aging, President and CEO.

All of the meals will be packed at Valley Services, a national food services company, in its USDA-certified kitchen. **On Friday, December 22** starting at 8 a.m., DTE employees and their families will pack the cold portion of the meals and **on Christmas day, Monday, December 25**, starting at 6 a.m., they will pack the hot portion of the meal. The meals will be distributed to eleven community sites plus two Detroit DTE Service Centers for door-to-door delivery starting at 8:30 a.m.

“The DTE Energy Foundation is proud to bring thousands of meals to our seniors, who appreciate the generosity of companies and employee volunteers such as ours to get a hot meal during the holidays,” said Nancy Moody, vice president, DTE Energy. “The Holiday Meals on Wheels program has become a tradition for more than 600 of our employees, their families and friends, and we are so appreciative of the time they give to spread holiday cheer.”

While the daily Meals on Wheels program is federally funded, the Holiday Meals on Wheels program is not; therefore DAAA depend on on the community and private funds for support. This Christmas, meal deliveries are made possible by the contributions and

volunteers of the DTE Energy Foundation and the Detroit Area Agency on Aging, therefore, **“Hunger Takes No Holiday.”**
